WORKSPACE ORGANIZATION MADE EASY

Garage and workspace panels give your space a whole new look while also gaining a greater level of organization.

Features & Benefits:

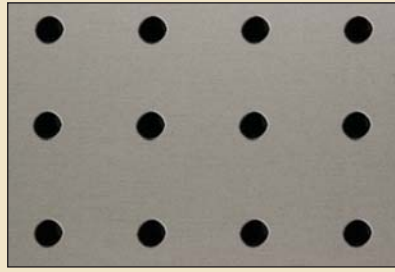

- Multiple uses: Garage, workspace, closets, pantries, kids play areas and more!
- Finished with an acrylic polymer topcoat to deliver a long-lasting, attractive finish.
- Using pegboard saves floor space.
- Enhance beauty and resale value of the home.
- Unique, stylish colors and textures – only available from DPI.
- CarbonTech™ looks and feels like carbon fiber.

* Sq. ft. retail cost comparison. DPI Brushed Stainless PegPanel vs. LPL Brushed Aluminum Slot Wall.
